**Department of Software Engineering**  
**SENG300/400 – Internship**  
**Internship Results**

**Lecturer:** Assist. Prof. Dr. Fatma Küçük

**Course Assistants:** Res. Asst. Emine Aşar, Res. Asst. Kübranur Gümüşlü

### Internship Results

The table below shows the internship results. Students whose internship status is successful have been successful in their internship. Students who write defense are required to make a defense due to deficiencies in their internship result documents. Defense hours are written for each student in the table. Each student must attend the defense on the relevant date and time in the software engineering meeting room on the 5th floor of Block B. Internships of students who do not come to defense will be considered **unsuccessful**.
