Aerospace Engineering Department  
Spring 2023  
Class Schedule

| 1 <sup>st</sup> YEAR |                              |                        |                              |                      |                          |
|----------------------|------------------------------|------------------------|------------------------------|----------------------|--------------------------|
|                      | Monday                       | Tuesday                | Wednesday                    | Thursday             | Friday                   |
| 08:30 - 09:20        |                              |                        |                              |                      | MATH 102<br>(KÜÇÜKASLAN) |
| 09:30 - 10:20        |                              | PHYS 102<br>(T.SİPAHI) |                              | ENG 102<br>(E.KUTLU) | MATH 102<br>(KÜÇÜKASLAN) |
| 10:30 - 11:20        |                              | PHYS 102<br>(T.SİPAHI) | AEE 182<br>(MOLLAMAHMUTOĞLU) | ENG 102<br>(E.KUTLU) | MATH 102<br>(KÜÇÜKASLAN) |
| 11:30 - 12:20        |                              | PHYS 102<br>(T.SİPAHI) | AEE 182<br>(MOLLAMAHMUTOĞLU) | ENG 102<br>(E.KUTLU) | MATH 102<br>(KÜÇÜKASLAN) |
| 12:30 - 13:20        |                              |                        |                              |                      |                          |
| 13:30 - 14:20        | AEE 182<br>(MOLLAMAHMUTOĞLU) |                        |                              |                      |                          |
| 14:30 - 15:20        | AEE 182<br>(MOLLAMAHMUTOĞLU) | AEE 162<br>(ÖZÇELİK)   |                              | AEE 172<br>(KAYA)    |                          |
| 15:30 - 16:20        |                              | AEE 162<br>(ÖZÇELİK)   |                              | AEE 172<br>(KAYA)    | TDL 102<br>(N.BESLİ)     |
| 16:30 - 17:20        |                              | AEE 162<br>(ÖZÇELİK)   |                              |                      | TDL 102<br>(N.BESLİ)     |
| 17:30 - 18:20        |                              |                        |                              |                      |                          |
| 18:30 - 19:20        |                              |                        |                              |                      |                          |
| 19:30 - 20:20        |                              |                        |                              |                      |                          |
| 20:30 - 21:20        |                              |                        |                              |                      |                          |

|          |   |                        |
|----------|---|------------------------|
| ENG 102  | Academic English II (3+0)                       | Emine Kutlu            |
| MATH 102 | Calculus II (4+0)                               | Abdulhamit Küçükaslan  |
| PHYS 102 | Physics II (3+0)                                | Taylan Sipahi          |
| TDL 102  | Türk Dili II (2+0)                              | Nurdan Besli           |
| AEE 162  | Statics (3+0)                                   | Orhan Özçelik          |
| AEE 172  | Introduction to Aircraft Performance (2+0)      | Mustafa Kaya           |
| AEE 182  | Introduction to Computers and Programming (2+2) | Mehmet Mollamahmutoglu |

All lectures will be delivered online via AYBUZEM. Please contact the course instructor for details.

| 13:30 - 14:20        |        |         | AEE 401<br>(YİĞİT)    |                   |                          |
| 14:30 - 15:20        |        |         | AEE 401<br>(YİĞİT)    |                   | AEE 491<br>(B.ŞAHİN)     |
| 15:30 - 16:20        |        |         | AEE 401<br>(YİĞİT)    |                   | AEE 491<br>(B.ŞAHİN)     |
| 16:30 - 17:20        |        |         | AEE 401<br>(YİĞİT)    |                   | AEE 491<br>(B.ŞAHİN)     |
| 17:30 - 18:20        |        |         |                       |                   |                          |
| 18:30 - 19:20        |        |         |                       |                   |                          |
| 19:30 - 20:20        |        |         |                       |                   |                          |
| 20:30 - 21:20        |        |         |                       |                   |                          |

|         |   |                   |
|---------|---|-------------------|
| AEE 401 | Design Project (2+2)                                | Ahmet Salih Yiğit |
| AEE 434 | Aerodynamic Design of Air Intakes and Nozzles (3+0) | Erhan Solakoğlu   |
| AEE 484 | Fundamentals of Robotics (3+0)                      | Arif Ankaralı     |
| AEE 491 | Systems Engineering (3+0)                           | Burhan Şahin      |
| AEE 443 | Computational Aerodynamics (3+0)                    | Mustafa Kaya      |
|         |   |                   |
|         |   |                   |
|         |   |                   |

All lectures will be delivered online via AYBUZEM. Please contact the course instructor for details.
