

The IEEE Lecture by Dr. Atef ELSHERBENI

You are invited to the Lecture on Computational Electromagnetics offered by IEEE Turkey Section

by

Dr. Atef ELSHERBENI
IEEE Distinguished Lecturer
Professor of Electrical Engineering
Dobelman Distinguished Chair
Colorado School of Mines, ABD.

For CV: Visit <https://electrical.mines.edu/project/elsherbeni-atef/>

Conference Title:

Computational Electromagnetics using the Finite-Difference Time-Domain technique. Emphasis will be focused on recent advances in of formulations, applications to antenna analysis and design, and efficient implementations using different programming languages and different hardware (CPUs and GPUs).

Date and Time :

6 September 2021; 14:00

Place:

Ankara Yıldırım Beyazıt Üniversitesi 15 Temmuz Şehitleri Yerleşkesi,
Mühendislik ve Doğa Bilimleri Fakültesi Konferans Salonu (A-212)
