For the Midterm exam:

- The class will be divided into two groups and the exam will be conducted as two sessions. Each sessions will be **2 hours** long.
- The first 27 people will be in the **1. group and take the exam at 10.00.** The rest will be the **2. group and take the exam at 12.00.**
- Bringing a small ruler might help you in the exam.
- You can prefer to use the computers at the lab or your own device.
- Here you are given a furniture template that you are expected to use in the exam. You can prefer to use these or your existing blocks from previous classes. However, the dimensions must be the **same** with the given furniture.
